

PLACEMENT into STAT/MATH Prefix Courses

Please refer to the UAA catalog and course schedule for information on prerequisites. If you have not completed the prerequisites, but have completed courses with similar content, you may use the following table for placement. Please note that ACT, SAT, and AP test scores are valid for two years from the date taken, while ACCUPLACER test scores are valid for one year from the date taken. You will be required to produce proof of test scores on the first day of class. If you do not have the appropriate AP, SAT or ACT scores, or the appropriate prerequisites, you will be required to take a UAA approved placement test.

Placement Testing is offered through the Advising and Testing Center and at most UAA extended sites. Students outside Anchorage may call (907) 786-4500 for information about testing at a different location. A \$10 fee and picture ID are required at the time of testing.
